Project Description

Institutional Commitments/Partnerships - The PI or inventor may request up to \$60,000 for a one-year grant. UO is expected to provide at least a 1:1 match. Ideally, funding for each item should be shared equally between the Trust and the institution. Describe below how you plan to address this requirement. Please refer to the Murdock Trust's [Application Instructions](#) for specific budget guidance.

If you have questions about this funding opportunity, email [David Frazee Johnson](#) or call (541) 346-8790
