

Invitation for internal submissions for the NEH Summer Stipend 2017 Award

The National Endowment for the Humanities has announced its 2017 Summer Stipend Competition.

The University of Oregon may nominate two tenured / tenure related faculty members.

The internal deadline for preliminary proposals is 5:00 PM on July 8, 2016.

Preliminary proposals for the 2017 Summer Stipend should be submitted to Research Development Services (rds@uoregon.edu) by 5:00 PM on July 8, 2016. Proposals received after this deadline will be returned without review.

A faculty committee will review all submissions that meet the eligibility requirements, guidelines and the internal deadline. The committee will recommend two nominees to the Vice President for Research & Innovation.

Preliminary proposals must consist of materials required by the NEH Summer Stipend program, including (1) a description of the proposed study; (2) a curriculum vitae and (3) a bibliography. Please read the guidelines and the eligibility requirements carefully before applying.

The Office of the Vice President for Research & Innovation will provide a comparable summer stipend for UO nominees who do not receive the NEH award and are employed by the UO in a permanent tenured or tenure related position for the academic year 2016-2017.

The external deadline for submission to NEH is September 29, 2016, for projects beginning May 2017.

Please refer to the [NEH announcement](#) for specific guidelines and requirements and for additional details. If you have any questions, please email [Lynn Stearney](#), Research Development Services.
