

Research Development Services

NSF Major Research Instrument Program (MRI) Limited Submission Pre-Proposal

Submit this form to rds@uoregon.edu prior to the deadline listed in the [Funding Opportunities newsletter](#) or the [Limited Submission calendar](#) . For instructions on how to save this form after you download it, [click here](#). Attach a pdf or word document of PI biosketches in the email.

Check this box if you have submitted your proposal in previous rounds of this competition. If you have submitted your proposal in previous rounds, please attach reviewer comments from the funding agency.

Please select which track you are applying for:

Acquisition (Track 1)

Development (Track 2)

PI Names/Departments

Project Description

(1) What equipment you would purchase or develop, (2) what kind of research it would enable, and (3) where equipment would be located (e.g. in which core facility or lab).

Estimated Costs and Cost-Sharing

What is the estimated cost of the equipment? Cost-sharing at the level of 30% of the total project cost is required. Please describe below how you plan to address the cost-sharing requirement, and any gaps that need to be filled.

If you have any questions about this funding opportunity or the limited submission process, email rds@uoregon.edu or call (541) 346-6391.
